KVHA Players and Families,

We are delighted to report that Kent Valley Hockey Association has been reinstated as a Member in Good Standing in NPSHL for the upcoming season. With the commencement of the regular season so near, this comes as welcome news to KVHA players and families and we wish to personally thank the NPSHL for revisiting their previous decision.

As part of a cooperative effort between the associations we have plans to meet on an ongoing basis in order to formulate guidelines for perennially disruptive issues such as player movement, as well as to discuss tiered program development and other mutual interests going forward.

We would like to thank Seattle Jr. Hockey Association and Sno-King Amateur Hockey Association for their efforts in resolving these issues and their willingness to seek an amicable resolution for all involved.

If you should have any questions, concerns, input, or ideas regarding any of these developments please feel free to contact us directly.
