Ravens' Donlan Wins USPHL Star of the Week Award

The Ravens' are proud to announce that Alternate Captain '99 Ryan Donlan, Woodinville, WA, was recognized as a Star of the Week by the USPHL for his performance this past weekend against the West Sound Warriors.

Playing in the USP3HL Pacific Division, Donlan notched 1 Goal and 4 Assists in a weekend sweep. "Hockey is a team sport and I have to give all the credit to my teammates," said Donlan. "They are the ones who put those pucks in the net. The most important thing is that we got two wins."

Donlan came to the Ravens organization last year as a 16-year-old with an outstanding work ethic and knack for making plays. He has continued to grow as a player and in the Ravens' "Development First" approach he has raised his game to a whole new level.

The Ravens are grateful for the honor the league has bestowed upon Ryan and our organization. This is just the kind of national recognition participating in the USPHL provides and as we move forward, we look to continue to develop outstanding young men who play high level hockey, like Ryan Donlan. That's what we do.
