

## ***There is Much to be Thankful for this Holiday Season; Hockey is Near the Top of My List***

**Kent Valley Ice Centre, Kent, WA. November 24, 2011** – I have much to be thankful for this Thanksgiving holiday. Karen and I are celebrating our 48<sup>th</sup> Anniversary this week (11/23/11), we are in good health, we seem to be fairly immune to the affects of the Great Recession, and we are surrounded by a great family and wonderful friends. Near the top of my list of things to be thankful for this holiday season is Hockey. Since my retirement in 2006 I've spent a great deal of my time involved with Kent Valley Hockey Association and the Seattle Thunderbirds. In the years before my retirement, when friends asked about my retirement plans, I would tell them; *"I plan to retire to an ice rink in Kent."* I've done just that and I'm having the time of my life! Both Kent Valley Hockey Association and the Seattle Thunderbirds tolerate my presence and allow me to enjoy my support of, and continued involvement with, their hockey programs. For this I am thankful.

There are a number of contributors to the KVHA News (coaches, team managers and parent volunteers) who provide information and notes about their teams and the games they've played. They help make the job of producing and distributing the weekly editions of KVHA News much smoother than it might otherwise be. For this I am thankful.

The Seattle Thunderbirds won two games last week at ShoWare Center. Their 5 to 3 win over the Portland Winterhawks on Saturday was the sweetest of the season. I now have renewed confidence that there will be many more enjoyable wins like this over the balance of the season. For this too, I am thankful.

Happy Thanksgiving to everyone! And, here's this week's edition of the KVHA News.

### ***Herring Hat Trick Not Enough for Mite Tornadoes***

**Kent Valley Ice Centre, Kent, WA. November 19, 2011** – The Kent Valley Mite Tornadoes hosted the Seattle Jr. Mite Blades at Kent Valley Ice Centre on Saturday in another thrilling match-up! In a heated battle for possession, the Tornadoes demonstrated their fierce tenacity by matching each of their opponent's goals to tie the game at four different times throughout the match. Aidan Herring(#14) turned in a "Hat Trick" but in the end, it wasn't enough to fend off the smoking Blades.

The Blades struck first against the Tornadoes with the early goal at 11:40 of the first period. But, it only took Aidan Herring (#14) a minute to catch-up with an unassisted goal at 12:50

to tie it up. The Blades took advantage on a penalty for tripping by scoring on the power-play to take the lead. But the Tornados wouldn't let that deter them and quickly got back to work with Aidan Herring (#14) scoring with an assist by Michael Geddes (#7) & Sean Smith (#8). As the period closed, the Blades scored again to regain the lead.

The turbulent struggle continued into the 2nd period as the Tornados' Quinton Gessner (#10) initiated a comeback with an unassisted goal. Once again the match was tied! It wasn't until midway through the period when the Blades scored to regain the lead one more time.

When the 3rd period opened, the exhilarating contest continued as the Tornados countered an attack. It was less than 1 minute into the period that Aidan Herring (#14) completed his first-ever "Hat Trick" to tie the game when he shot the puck past the Blades' goalie with an assist by Ripken Renner (#4). Awesome offensive performance, Aidan! Unfortunately, the Blades would steal the lead once again as they were able to capitalize on a penalty for hooking. As the 3rd period came to a close, the Tornados scored their final goal of the game by Quinton Gessner (#10), with an assist by Jake Ferguson (#6) & Maxwell Mudge (#15).

Ultimately, the Kent Valley Mite Tornados lost another rough one to the Seattle Jr. Blades in league play Saturday. The Blades defeated the Tornados by a final score of 9 to 5. The Blades fired 23 shots on the Tornados goal while the Tornados put an equally impressive 20 shots on the Blades' net. Tornados goalie Rickey Campbell (#12) stopped 14 of 23 Blades' shots for a 61% save rate. The irony in all of it is that only 2 players from each team scored all the goals. Congratulations to both teams on such a thrilling game!

## **Quote of the Day!**

*"The second best thing about being hired by the Boston Bruins was that I'd finally made it as a coach in the NHL. The first best thing was that I was coach of the team for which Bobby Orr was a player. Mind you I didn't say that I'd coached Bobby Orr because that would be the most presumptuous thing any coach could ever say. He was the greatest hockey player I have ever seen, Gordie Howe and Wayne Gretzky included. The greatest hockey player who ever lived, Bobby Orr, and I love him."*
