### **FOR IMMEDIATE RELEASE**

November 29<sup>th</sup>, 2007

The Doner Group Real Estate and Kent Valley Hockey Association (KVHA) are pleased to announce a new program to support KVHA through Rebates.

Fred Doner, Broker/Owner, announced The Doner Group will rebate to KVHA one third of the Gross commissions of any home sold where the Buyer or Seller identify they wish to participate in "The Support KVHA" program.

Here's how the program works;

Let's say a Buyer purchases a \$400,000.00 home. As the Buyer identified their intent to participate in the program, and assuming the Selling commission on the home was 3%, then, at closing, The Doner Group would rebate to KVHA \$4,000.00!

The Doner Group is a full service Real Estate Company that has been serving the Greater Puget Sound area since 1992. The firm represents both Sellers and Buyers and is a member of the Northwest Multiple Listing Service.

As an Independent (Non Franchised) company The Doner Group has the flexibility to offer aggressively cheaper fees for the same full service! The firm can save you thousands when selling your home.

Lexi Doner, President, KVHA clarified the arrangement saying; "I am in no way involved in the ownership and have no interest in any proceeds. Fred is my brother and since his company bears my last name, I am naturally concerned that everyone understands the details of this generous offer in a way that precludes speculation that I have any personal involvement. This is a wonderful opportunity for Kent Valley Hockey Association and I am very appreciative of Fred's offer to help support our youth hockey program."

Anyone can utilize Fred's company to BUY or SELL a home. KVHA members are encouraged to refer friends, relatives, acquaintances, etc. The Doner Group is a full-service broker who charges less than most other companies for the same service. Therefore, there are no additional charges for using this program. In fact, it will probably save the Buyer/Seller money! In addition, KVHA will receive the rebate from each transaction. Simply put, this is a generous program that can likely generate tens of thousands for KVHA annually.
