

Squirt Evaluations Set for Early September

Kent, WA. July 31, 2008 – With rep team try-outs for the PeeWee, Bantam, Midget and U-16/U-18 teams scheduled for August 15th – 17th, Squirt age players felt a bit overlooked. Well, not to worry! Danny Lorenz, Hockey Director, said, "*We are planning on holding Squirt Rep and Rec evaluations together in three sessions the first part of September, immediately following the Labor Day holiday,*" According to Lorenz, firm dates and times will be announced once the September ice schedules are finalized at Kent Valley Ice Centre.

Adam Speer will coach the Squirt Rep team with Mark Mathews and Craig Schaper coaching the two Squirt Rec teams. KVHA Registrar, Rena Sullivan, indicated that some returning KVHA Squirt age players had not yet registered for the 2008/2009 season. She encouraged parents of Squirt age players to sign up at their earliest convenience.

Questions regarding the Squirt program can be directed to Danny Lorenz, Hockey Director, at (253) 850-2400 or via e-mail at Danny@kentvalleyicecentre.com.
